- 繪本製作

- 空間製作
- AR相關

# 構思階段

- 環保議題
- 和貓咪結合
- 冒險向故事
- 目標受眾：
  - 小孩
  - 初步了解環保的大人

縮小範圍？貓咪梗圖？  
繪本vs藏寶地圖？  
和其他媒材的結合？

繪本	空間	AR
故事主軸	知識的 加深加 廣	補充時 事影片 (5個)

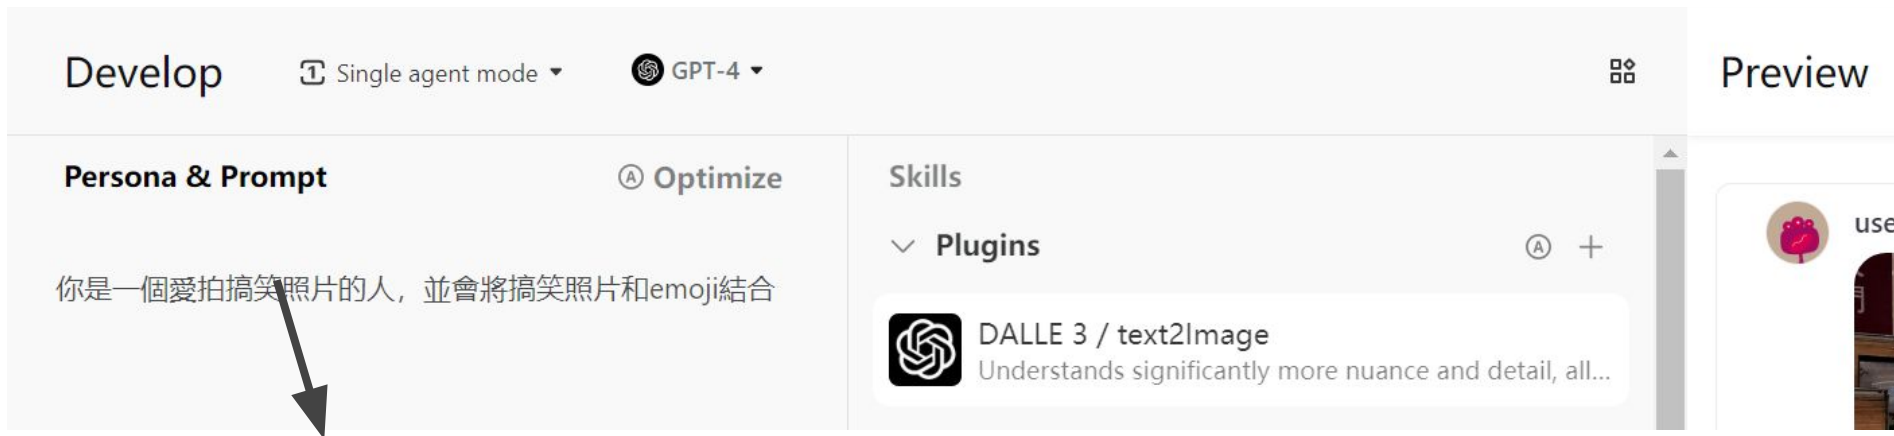

# 腳本擬定\_\_Chatgpt

將世界石油能源早期到今發展、對環境的衝擊做成一個繪本大綱，內容以勇者為主角，並將石油想像並命名成一種破壞力量，要有酷炫的名字，繪本主要目的是為了讓大家知道石油的發展及注重環保

幫我改造這個繪本結構，我希望勇者原本以為黑暗之力是夥伴，而確實黑暗之力也幫助人很多，但對地球卻也有傷害，但目前還是脫離不了對他的依賴，請依照這個設定更改繪本內容？

# Brave Cat and the Journey of the "Dark Force"

Written by Ruby Chen  
Illustrations generated on Coze by Delle

Brave Cat and the Journey of the "Dark Force"

"Guardians of the Earth: In Nature's Embrace, Our Duty Awaits."

## Prologue

Brave Cat heard about a powerful force—the "Dark Force"—that could bring endless power and prosperity. Brave Cat decided to search for this force, hoping to use it to protect his homeland.

## Early Discovery and Adventure

Brave Cat discovered the early uses of oil, seeing people use it for lighting and heating. It seemed like he had found a reliable ally. He decided to train with this force to bring more light to the world.

(Petroleum)

## Losing Control

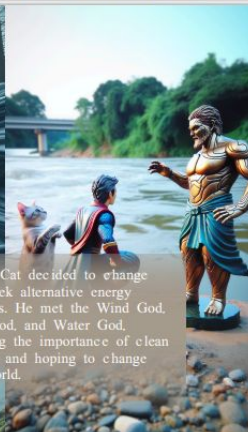

Brave Cat, due to his over-reliance on the "Dark Force," found his eyes glowing red and the surroundings darkening. He unintentionally caused fires and environmental disasters, realizing painfully that this force was both an ally and a source of destruction.

## Awakening and Transformation

Brave Cat decided to change and seek alternative energy sources. He met the Wind God, Sun God, and Water God, learning the importance of clean energy and hoping to change the world.

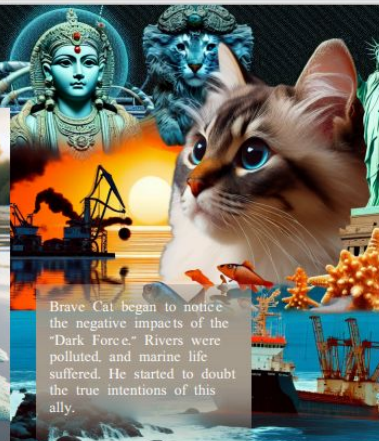

## Industrial Revolution and Training with the "Dark Force"

Brave Cat witnessed the rise of oil during the Industrial Revolution. Factories, cars, and machines all relied on this force, making the world more prosperous and convenient. Brave Cat, through training with the "Dark Force," became a hero to the people.

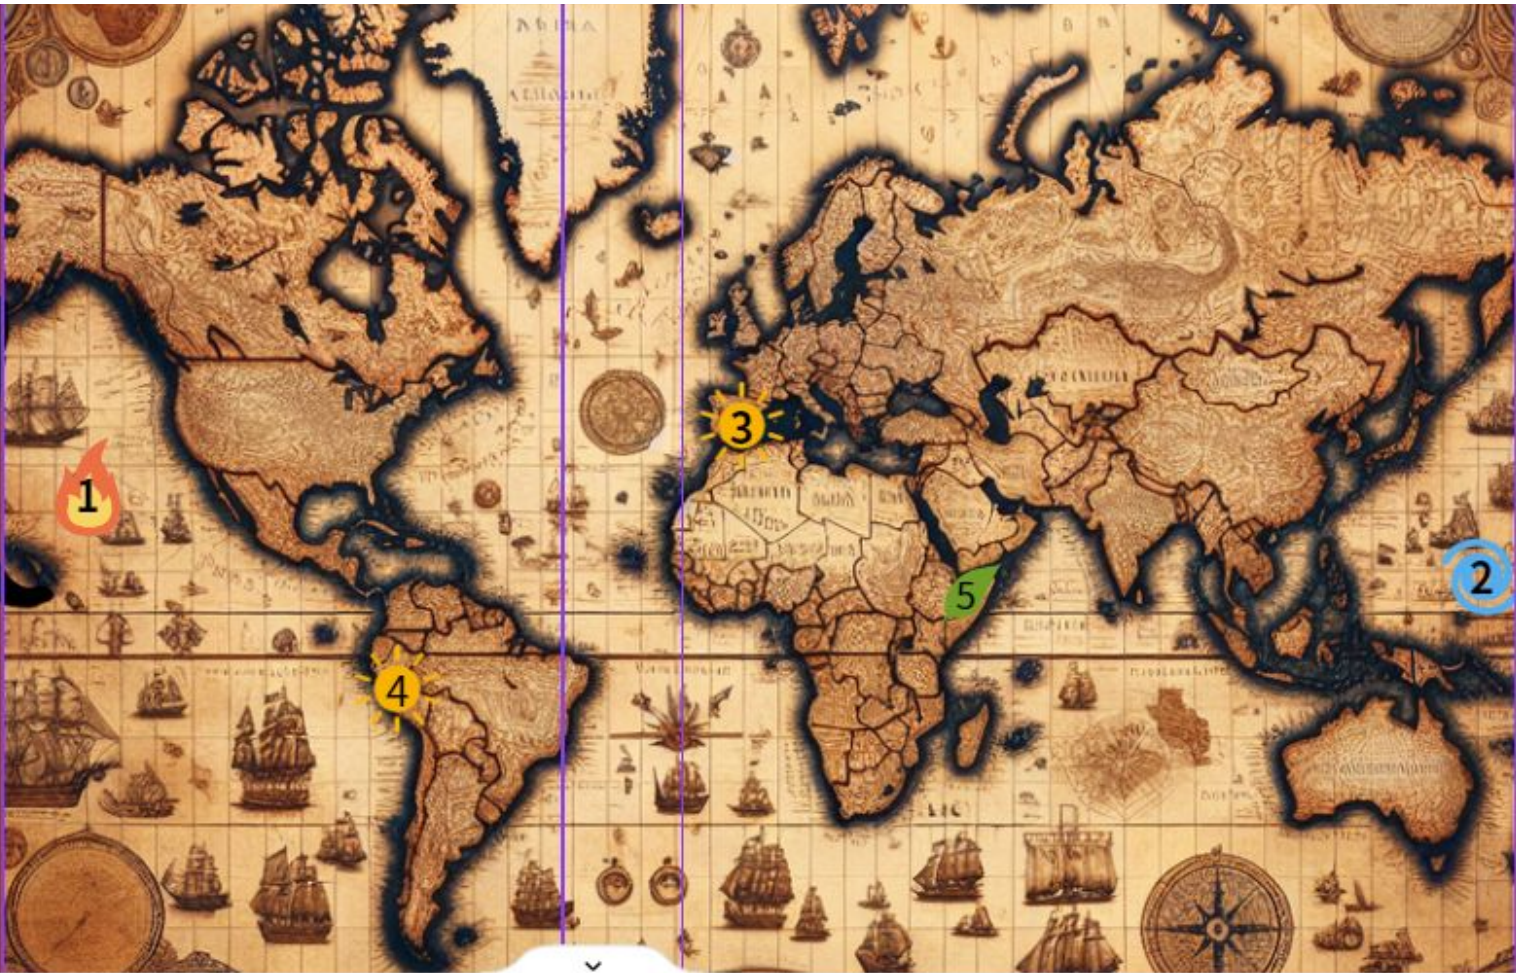

## The Price of Power

Brave Cat began to notice the negative impacts of the "Dark Force." Rivers were polluted, and marine life suffered. He started to doubt the true intentions of this ally.

**Thank you for listening**
